## June & July Issue

Due to the limited number of activities during the summer, we have decided to combine the June & July newsletters into one issue. Please note that Sunday Worship will continue online (see the Letter from the Session on page 4). Additionally, the Daily Digital Prayer meetings and online Bible Study on Thursday evenings will also carry on.

Be sure to find the information for this summer's Online VBS and Youth Fellowship. Help is still appreciated for Soup Nites, as the need has increased, especially during this current situation.

## ***From the Pastor***

“Blessed is the man who perseveres under trial, because when he has stood the test, he will receive the crown of life that God has promised to those who love him.”

(James 1:12 NIV)

Most people I know don't like to face times of difficulties. In fact, if you are anything like me you would most likely do anything and everything you can to avoid the hard times of life. I know I don't like to even contemplate the idea of suffering, whether it comes through areas of health, finances, persecution, or any other aspect of trouble, let alone have to endure it. That's certainly true of our current situation and I'm hopeful this will end soon.

However, did you notice that the Apostle James tells us that we receive a blessing from God when we face trials and persevere through them? Now, I will have to admit that I certainly like the blessing of God on my life and I hope that each of you do as well. No one can bless us as our Lord can bless us. Our God is a God who delights in blessing His people. So it seems to me that if we want to experience the fullness of God's blessings, then perhaps we need to rethink our position of facing the trials that come in life.

Now, don't think I have suddenly developed a martyrdom complex, as if I'm trying to get all of us to start looking for ways we can make our lives more difficult just so we can experience more of God's blessings. I'm not advocating that at all. However, I have found times in my life when I have refrained from ministry and service simply because of the difficulty I might face or the inconvenience I may have to endure.

Perhaps you've experienced that as well. You know, those times when God presents us with an opportunity to minister to someone, but we'll have to change our schedule or miss out on something important to us. God may present us with a situation to be of service to someone, but that might mean we will have to go without or sacrifice a little and the pain that results is just too much to bear. There might even be an opportunity to share the gospel with a friend or relative and we refrain because of the ridicule that may result or the fear of not being able to adequately explain the good news of salvation in Jesus.

Then there are the other types of suffering that come with little or no explanation like we're experiencing now. Our health might begin to fail. We might lose a job or a promotion. A friend or a loved one is suddenly taken from us and we turn our anger and bitterness toward God, and we begin to doubt His love, mercy, and grace. There are many who face such times and they turn completely away, failing the test of their faith in Jesus. I'll be the first to say that I can't explain why these things happen to us and we probably won't know until we reach our home in our Father's house. However, I believe what James says when he tells us that we are blessed when we persevere, that is, when we keep our faith and trust in the Lord our God.

We have a God who does love us. His love is forever displayed and proven to us through the cross of our Lord Jesus. How could we ever doubt so great a love as God Himself coming to earth in human form so He could redeem and rescue the likes of us? You see, it's when we keep our focus on Jesus, remembering His sacrifice for us, that I believe we'll more easily persevere through the difficulties of life. We'll be more willing to go without, to sacrifice, in order to minister and serve those who need our help. We'll be able to share the gospel with those who have not heard. We'll be able to keep the faith even in those times we face the most difficult of trials that may not make any sense to us. And when we persevere through all the troubles of life, keeping our faith fixed upon Jesus, we'll receive, as James points out, the blessing of the crown of life that God has promised to those who love Him.

# Highlands Women's Ministry

*"Be strong and courageous! Do not be afraid, do not be discouraged.*

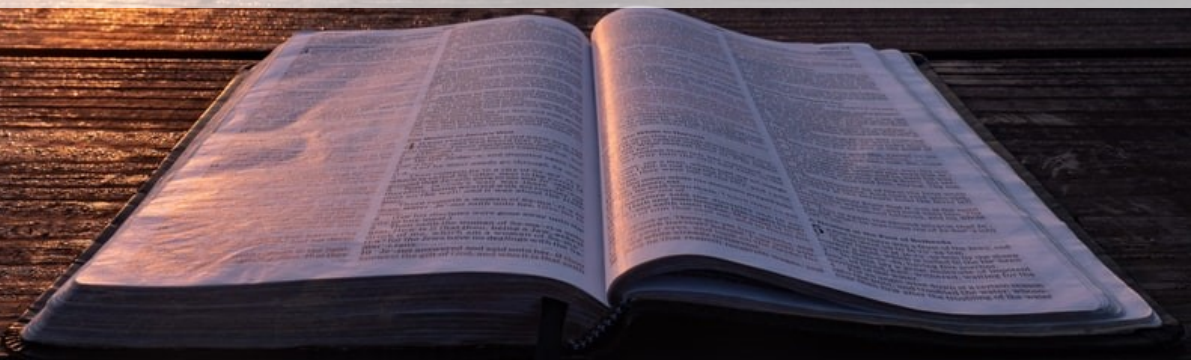

*The Lord your God will be with you wherever you go." Joshua 1:9*

**Sunshine Meals** – We have had several members who have been in need of meals over the past few weeks. While the Women's Ministry Team is in charge of organizing a meal train for these families, they need help from all shepherding groups. When invited, please consider how you can help.

Once the church reopens, we will be able to plan additional events. Until then, thank you for your patience.

## Adult Bible Study

The Thursday night Bible study will continue meeting through the summer at 7pm. Until the elders feel it is safe, we will continue to study together through Zoom. As we continue through this odd period of time, and see the difficulties of life continue, we will be taking time to study what life will be like when God ends this time of sin and destruction and cleans up the mess we have made of the world. What will life be like in our eternal home – what the Bible calls the New Heaven and New Earth? What will we be doing? Will we know each other? Will we eat and drink? Will there be work? How different will our new perfect bodies be? And many more questions. Hope you can join us. Contact the church office for details on how to get on our Zoom meeting.

## UPDATE OF HPC REOPENING STATUS FOR IN-PERSON WORSHIP & ACTIVITIES

### *As of June 1, 2020*

Your Session remains sensitive to and empathetic with a possible sense of disorder and probable feelings of isolation this health crisis has generated in all our lives since March of this year. However, good news is on the horizon; as many of you know, the final phase of Georgia's stay-at-home order restrictions are scheduled to expire June 12<sup>th</sup>. So, for many of us, in a couple of weeks we can begin to venture out and visit our neighbors and friends should we choose to do so.

However, the pandemic is NOT over and to reach any sense of normalcy in our daily lives still will require various steps of preparation; more analysis of consistent, reliable data with favorable results from observations over time; and a careful game plan that will ensure our safety and mitigate the potential risk of further exposure of the virus for our entire Congregation.

The Pastors, Session, and Diaconate have had their "ears to the ground" and our voices lifted in prayer for various sources of information regarding an effective and safe HPC reopening process:

1. Worship Team has shared recommendations/suggestions from the Synod for review
2. News items from the Governor's Office with specific Georgia statistics at local, county, and state level
3. ARP Magazine
4. Informal individual discussions
5. Other news media relevant items of information

The Session desires to be very deliberate, careful, judicious, and obedient to our Sovereign Lord as we study, plan, and implement the process of when and how HPC resumes

worshipping together in person. Many of you are aware of at least one obstacle to overcome – a lack of consistently accurate statistical data (at all levels *including Georgia*) that drives the national and state recovery phases to determine what set of restrictions should be enforced. BEFORE we implement HPC's reopening plan, your Session wants to be very certain via observation over time with hard evidence (based on data) that our state and county have reached a point where we can say with a high degree of confidence: "We can begin to resume community worship keeping our Congregation safe and healthy and mitigating the risk of potential exposure to COVID-19."

Later this month, the Session will begin formal discussions laying the framework and foundation for our resumed in-person Worship and other ministry activities. We are hopeful that the data reporting will get better during June and provide us with a clearer status of where Georgia stands overall in terms of the recovery phases from the pandemic. This in turn will assist our planning efforts regarding any further restrictions that may still be in effect.

At this time, we will continue to worship together in Spirit through our online streaming of worship services. Your elders will continue to monitor requirements for moving forward in this dynamic, ever-changing environment. Should you have questions or concerns, feel free to contact any member of the Session or one of the Pastors. Please stay safe and healthy!

### Highlands Blood Drive

*Tuesday, July 7th, 3 - 7 p.m.*

Our May Blood Drive was successful! While we had all 22 slots filled, several people were unable to attend, yet we made our goal of 15 pints with one extra! It was an interesting time as we all tried to figure out how to stay safe with our social distancing. Jim Whitson even learned how to take everyone's temperature.

Our next drive is scheduled for July 7 from 3pm – 7pm. New T-shirts will be available for donors so be sure to sign up. The drive is already available for scheduling and we have 4 of the 17 slots filled. Visit [www.redcrossblood.org](http://www.redcrossblood.org), search for sponsor code "HPC" or zip 30017 and find your place today!

# Highlands MMO & Preschool School's Out for Summer!

Highlands Preschool and MMO had a great month to end the school year! The students had so much fun at ZOOM Circle Time! The students truly enjoyed watching their Online End of Year Program and Graduation Celebration! The students and their parents all wished we had been able to end the school year with a hug!

Highlands is waiting on the Gwinnett County Public School System to determine what the 2020-2021 school year will look like at Highlands! Please be in prayer for wisdom for those making decisions about school. Thank you for your prayers and support of this program!

# YOUTH GROUP: DIGITAL EDITION

Understanding the Bible [Posts will remain up all summer!]

Youth of Highlands,

I want to commend you for finishing school in what has been the strangest and one of the most difficult times I am sure you have faced. I am proud of each of you for your hard work and endurance. I wanted to let you know that I am still praying for you as you now enter summer. I know that this is probably not how you expected your summer to begin, but I know that God will use it for his glory. Many of the things we were looking forward to this summer have been altered or canceled. But keep in mind that God is still good, and he can use this summer for your good and his glory.

I do want to let you know that we will have two zoom meetings throughout the summer so that we can see each other, talk, and hear about how things have been for each of you. We also are planning a mission trip of sorts in which you will be able to participate from home. We will all work together while apart and separate at our homes to glorify God and serve the church. While this pandemic has changed many things, it has not changed the calling we have to love one another well, and we are hoping that the mission trip we are putting together will teach and encourage you how to serve others during this time. I hope each of you will be able to participate in the Zoom meetings and the mission trip from home. I am looking forward to and praying that we will be able to be back together soon.

# Prayer Corner Update

- Temple Elam is home from the VA hospital.
- Rev. Bill Slattery, pastor at Redeemer PCA in SC (Frank and Carole Sexton's pastor) arrived home. Please continue to pray for his continued healing.
- Missionaries with World Witness who are experiencing loneliness due to COVID-19
- Linda Merkler's grandson, Holden, came through his oral surgery well. He was able to have one parent with him until he was out and then one when he woke up.
- Lee Ragas and Mary Bradley Bayne, as they recover from the surgeries they had a week ago.
- Lelia Oates Darby, former member and mother of Amy Darby, passed away on May 25<sup>th</sup>. Please be in prayer for that family.
- Sunshine Meals – We have had several members who have been in need of meals over the past few weeks. While the Women's Ministry is in charge of organizing a meal train for these families, they need help from all shepherding groups. When invited, please consider how you can help.

## Praise Items

- Jackie Rice's surgery to repair her broken sacrum and pelvis on May 29th went well.
- Avitabile family - John Mark's test was negative, thank the Lord! Leah and Daniel are having no ill effects, they feel fine, just had a slight cold. Still in isolation until Saturday to be safe. Alicia and Joseph's wedding was beautiful, even though small and private. The newlyweds are off on their honeymoon and we hope to have a big celebration in the future, Lord willing. Jake and Rosa Avitabile welcomed their 3rd son, Giovanni Avitabile, on May 8th at 8:20 a.m. He weighs 8 lbs. 5 oz. and is 20.75" long. Mom and baby are doing well. Proud grandparents are John and Lynn Avitabile. Thank you for your prayers!
- Ricky and Kristy Summers welcomed baby girl, Kayleigh Joyce, May 8th at 10:14 a.m. She weighs 8 lbs. 4 oz. and is 19.5" long. Everyone is doing well. Congratulations to the entire family!

# Highlands Benevolence Fund Policy

(Adopted by the Session at their November 2019 meeting)

Galatians 6:10 states *"Therefore, as we have opportunity, let us do good to all people, especially to those who belong to the family of believers."* Highlands' officers used this verse, among others, as the basis for establishing a Benevolence Fund Policy to benefit our church family. They recognized that sometimes the need for charitable assistance seems overwhelming but they also were aware that the Lord says, *"...whatever you did for one of the least of these brothers and sisters of mine, you did for me."*

The Benevolence Fund Policy is administered by a team of three deacons, one from each class of officers, assisted by one Elder and having oversight from the Diaconate Chairman and the appointed Elder. The team has the responsibility of reviewing applications for assistance and either approving or denying those requests. They are also responsible for encouraging donations from the church membership for the Benevolence Fund (there will be more information concerning this in the near future.)

Requests for assistance may be made by a church member, an immediate family member or regular visitors and the need should be of a critical nature that the requestor is unable to meet on their own. A request may be made of any active officer or one of the church pastors. One of these leaders may assist in the application process

with the intention of turning over the request to a team member. It is the intention of the officers that these gifts be a one-time gift, but it is also recognized that unusual circumstances do occur. Confidentiality and promptness in handling these requests are encouraged.

Gifts to the Benevolence Fund are given freely and unconditionally, without regard to a specific need and over and above the tithe. Gifts from the Benevolence Fund are considered a gift from the Highlands church family and should not be construed as a loan.

This is an overall summary of the Benevolence Fund Policy. The entire document may be read online in the Members section of the website. Applications may be downloaded from the website and are also available in the church office.

Questions may be directed to one of the Benevolence Fund Team members – Deacons Justin Jacques, Phillip Wallace, or Fru Chifen or Elder Lee Hunt.

**"I tell you the truth,  
whatever you did for one of  
the least of these brothers and  
sisters of mine,  
you did for  
ME"**

Matthew 25:40

## GIVING TITHELY - ONLINE GIVING

Effective July 1, Highlands ARP is changing our online giving platform to [tithe.ly](https://tithe.ly). The format is similar to ones that we have been using in that donations by credit card or debit card (fees are 2.9% + \$.30/transactions) and bank transfers (1% fee) are both an option. There will be an option for you to cover the credit card fee as well.

The website is easy to understand –

1. You have the option of donating to predetermined funds (General Fund, Benevolence Fund, Soup Nite Ministry, Missions, etc.)
2. You may set up the frequency of regular gifts (weekly, bi-weekly, semi-monthly or monthly)
3. You may elect to cover the credit card processing fees
4. You may select a bank draft or a credit/debit card payment

In about 2 weeks, you will receive an email that details the specifics of the platform, but it is very similar to other online giving sites.

If you have any questions about this platform, don't hesitate to contact me or Lee Hunt.
