Highlands ARP Church

November 2020 Volume XVI, Issue X

## Highlands Highlights

Beginning November 1, Highlands Church will resume in-person Worship every Sunday at 10am.

The Session has prayed, discussed, and evaluated pertinent aspects of the COVID-19 pandemic; and we further recognize that some of these in-person worship requirements may be burdensome for some. We do hope that everyone understands that we believe these procedures provide the best protection for all the Highlands family. We're excited that we will begin meeting together for Worship. We hope that those of you who would like to join will do so in keeping with the safety requirements so that we can express genuine love toward one another. Review the procedures and requirements for attending below.

#### From the Pastor

"Thanks be to God for his indescribable gift!"

(2 Corinthians 9:15 NIV)

The holidays are a great time for reflection. They are a wonderful event in which we can pause and remember all that has transpired in the Providence of God and how He has continued in His faithfulness to protect us and provide for all our needs, especially in the midst of this pandemic. The holidays are also a time for us to remember God's promises to us that give us great confidence for the year ahead.

We have much for which to be thankful. God has given us families and friends who encourage us and help us as we walk along this journey we call life. He has provided abundantly for our needs and He has also given us many of our wants that make life even more enjoyable.

Sure, some of us have had to face difficulties and heartaches this year as loved ones have gone home to be with Jesus. Some have experienced serious health issues while others have had to deal with the loss of jobs and the uncertainty that comes with those circumstances. This pandemic has affected all of us in one way or another as it physically separates us from each other. Life is not always going to treat us well. But even in those times of great trouble, God is always there with us, walking beside us, and carrying us when we think we can go no further.

But if there is one thing for which I believe we should all be exceedingly grateful it would be the wondrous gift of God's grace given to us through the person and work of Jesus Christ. The Apostle Paul calls this the "indescribable gift", and he is quite correct. How can we ever adequately describe the grace of God expressed through the cross of Jesus? If we truly consider the depth of our depravity and how we were the enemies of God, justly deserving His displeasure, and if we then consider how God, in His great love for us, came into this world in the person of Jesus in order to give His life as an atoning sacrifice for our sins, we would have to agree with the Apostle Paul that this is truly an indescribable gift. Yet, that is exactly what God has done for us. We are a people of grace, a people of hope, a people who are forgiven and completely set free from the judgment that is to come upon all humanity. We are a people who have experienced an "indescribable gift" of grace.

I love this time of year because it forces me to pause and consider how blessed I really am because of all that God has done for me. I hope you will also take time during this holiday season to reflect on God's grace lavished on you and that you also will be a person who is grateful and full of praise to God.

### WELCOME New Members

MaryBradley and Elliott Bayne joined Highlands in September. Apologies for the mistake in last month's newsletter. The Baynes have been married for 53 years and are the parents of Margaret and David, and have one grandson, Jeff. We're pleased to have them join our church family!

# PRAISE THE LORD. GIVE THANKS TO THE LORD, FOR HE IS GOOD; HIS LOVE ENDURES FOREVER.

Did you know that there are only two regularly scheduled blood drives in the city of Grayson and only two in Loganville? That tells me how critical the need is for donors to come out on November 10. Our schedule allows for 23 appointments, but already 18 are already filled.

If you haven't given in a while, or if you've never given, this is a great time to start! Visit <a href="www.redcrossblood.org">www.redcrossblood.org</a>, search for "30017" and November 10 and sign up online. If you have any questions, please contact Betsy Whitson at 404-790-8936 or <a href="mailto:bjwhitson@bellsouth.net">bjwhitson@bellsouth.net</a>.

### November

Theme: Be Thankful

This month our theme is "Be Thankful!" The students will be encouraged to be thankful for God, for their families, for their toys, and really for everything! This month we will also be talking about the first Thanksgiving! We will be learning about Pilgrims and Native Americans!

This is our Thanksgiving Program from last year! We miss being together in person!

Highlands MMO & Preschool is reaching out to our community to provide quality Christian childcare and instruction for families with young children. Please pray for this outreach ministry of Highlands ARP Church.

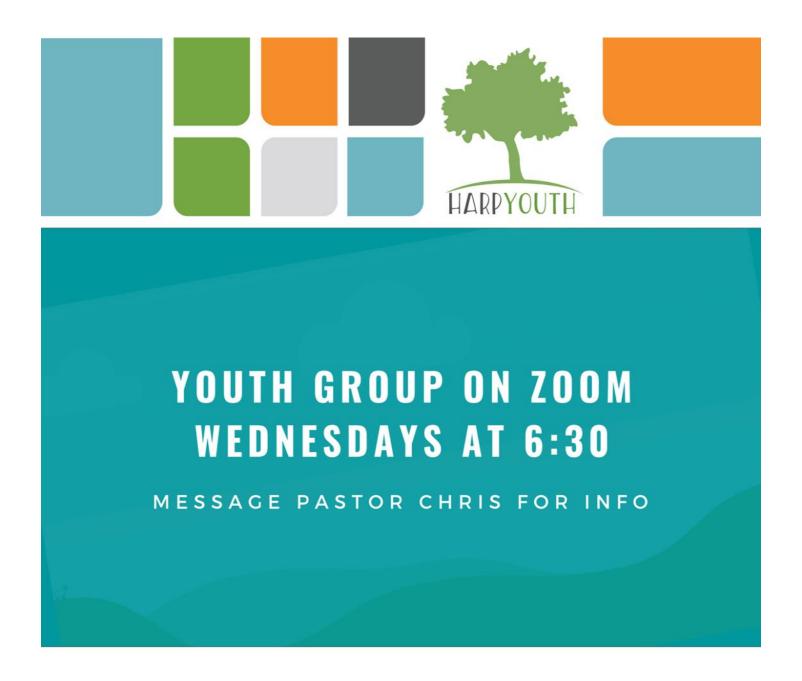

## WORSHIP THE LORD

ONLINE OR IN PERSON

In our Wednesday night Youth Group we have been continuing to study Paul's letter to the Philippians. We began this study by looking at Acts 16, where we read about Paul's journey to Philippi. This chapter of Acts sets the stage for us to begin looking at Philippians and helps us to understand a little more of the story behind the church in Philippi. We are just beginning the book of Philippians and look forward to all that God has in store to teach us. We are so thankful to be able to meet safely online during this time. Please continue to pray for the youth as we study the Bible together and as they seek to serve the Lord this school year.

Pastor Chris

Roger and Margot have been members of Highlands for many years. Roger trusted in the Lord and recently celebrated being a Christian for 73 years. He was very proud of being a Presbyterian, and had been a ruling elder for over 50 years.

Roger's favorite hymn was "In the Garden," and his favorite verse was John 3:16. Roger loved his Sunday School Class at Highlands. He was a faithful member of the class, and loved studying Eschatology with them. He also loved keeping track of the budget

at Highlands, and did his part to make sure Highlands was faithful in their stewardship. Roger "adopted" Pastor Mark & Bonnie and would call them his adopted son and daughter. Roger also enjoyed the times that Highlands honored the veterans, and was proud of the time he spent in the Navy. Roger was loved by many and will be missed.

Erskine College is excited about what God is doing on our campus, and we want to share our news each month with you, our family in the Associate Reformed Presbyterian Church! Below are some highlights, and we invite you to check out our website for campus news, current events, and feature stories: www.erskine.edu/discover/campus-news/ or www.erskine.edu/discover/current-events/.

- Erskine College placed seventh among "Best Regional Colleges" in the South and is the topranked South Carolina school on the list.
- Erskine College has released the names of the 2020 Garnet Circle members. The Garnet
  Circle at Erskine College consists of the 25 currently enrolled students who achieved the
  highest scholastic average during the previous academic year.
- Interim Chaplain Josh Chiles has led Erskine's socially distanced chapel services in Lesesne Auditorium during the first weeks of the Fall semester. In his message on Sept. 24, he encouraged college students to exercise maturity in speech, advising them to "slow down," "set a guard," and "get serious."
- We invite deacons and elders of our churches to consider taking or auditing some courses via Erskine Online. We also offer the Master of Arts in Theological Studies (MATS) and the Master of Divinity (M.Div.) degrees fully online now.

We ask you to be in continued prayer for Erskine College and Theological Seminary:

- · Pray that we finish the semester strong and on campus.
- Continue to pray for God's presence at Erskine. Pray for faculty and staff as they work to implement COVID-19 precautions in the classroom and around campus.

#### Hi All.

What a wonderful time of year! To begin this month's meals, we started off serving beef tacos with tortilla chips on October 12th. The rain had stopped after a good weekend of wetness. Bob and TJ were our Drive Thru servers on this day. A huge thank you to the ladies bringing in the snack bags

of cheese and lettuce. What a time saver that was. It was a good night and we are blessed. On our second serving in October, on the 26th, we served creamy chicken chili and corn bread. It was so delicious and yummy! Our three servers thru the Drive Thru were Lori Johnson's kids. Savannah, Rebecca and Zack are Grayson HS students who need community service hours. Our guests are now in turn helping us. This was the same for CaraLee and Robert Whittle as they helped last month! We are one big family in serving the community. This night was a bit slower for our grab n go's. When this happens, we are able to bring the last of the containers of chili over to the CoOp to distribute and we were able to give out 150 meals! God's timing is perfect.

As a bit of an added serving this month, on the week of Oct. 19th, we served Food Pantry items to our guests by way of Drive Thru. Bob Statham picked up a Food Bank Run in the morning and we distributed it all to 120 people, 25 cars! Just a small amount of left-over items were donated to the Food CoOp. A funny story regarding this produce "give a way"... our last box was given to a lady who heard two women talking in Kroger about Highlands giving out fresh produce! So we are now, the talk of the town! LOL.

Our seniors on Route 3 & 4 received an added blessing this time. A friend of Soup Nite, donated small cuts of steak and Jane and Rachel made vegetable beef soup and stew for those seniors! We continue to make meals to bring over to the CoOp so they can deliver on the routes for the Seasoned With Love seniors. There is

over to the CoOp so they can deliver on the routes for the Seasoned With Love seniors. There is no contact. Food Boxes from the CoOp and our meals are left on the porch the morning that the CoOp arranges with the seniors to be there. We lost a senior this month and I hear her husband isn't far behind. Pray for Denise, their daughter who has been taking care of them, and Mr. Jefferson as he misses his wife and grieves her loss.

And last but not forgotten... our new freezer has arrived. Thanks to Highlands for your support, thank you to our volunteers who without them, none of this would be possible and praise our Lord for always helping us in this journey!

In Christ,

#### Carrie

#### Prayer Corner Update

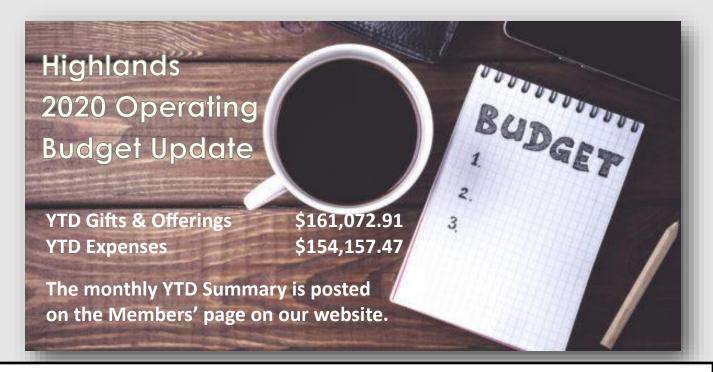

- Please be in prayer for Margot Lusby. Roger passed away last Thursday after a long illness.
   Margot has expressed thanks for everyone at the church, for the prayers and support she has received. Arrangements are unclear at this time.
- Sal and Carrie's friend, Bob Zack, has not responded to the latest round of chemotherapy. Please pray for Bob, his wife Cheryl and the family as they prepare for his last days.
- Joyce Jones requests prayers for her family who were exposed to COVID during a family gathering.
- Jon Jones' Uncle Mike has been diagnosed with liver and esophagus cancer.
- Elliott Bayne had 3 cysts removed on Wednesday and will be recovering at home.

#### Praise Item

Betty Reinhardt continues a slow recovery and is about 80% up to speed. She is 7 weeks
post hospitalization and her doctors say a 3-month (12 week) recovery is a typical and
normal time frame. She thanks everyone for their prayers and she knows the strength and
healing prayer provides.

If you have a prayer request for the congregation, please send to: highlandarp@amail.com

#### **ONLINE GIVING**

Online giving can be confusing if you don't use it frequently. But once it's set up, it can be very easy to maintain.

**Tithe.ly** is a digital giving tool that Highlands ARP uses. It is accessible from your computer, iPad or phone. It allows members to make a one-time or recurring gifts to one of many funds. It also allows members to cover the fees associated with the online platform and to use a credit or debit card or have a withdrawal directly from their bank account (ACH transfer).

The fee associated with a credit or debit card are \$.30/transaction plus 2.9% of the contribution amount (3.5% for AMEX cards). The fee for an ACH transfer is \$.30/transaction plus 1% of the contribution amount.

Contributions are deposited into Highlands' bank account on a weekly basis for the first 3 weeks of a month and daily towards the end of the month. Credit and debit card transactions are usually deposited into Highlands' bank account within 2-5 business days and ACH transfer can take up to 10 business days. For example, any credit/debit card transaction set up from September 14-18 will be deposited on September 21 but an ACH transfer on the same day may be as late as October 5 in being deposited into Highlands' account. Consider this schedule as we approach year-end.

BillPay is processed through your bank. Again, you can set up a one-time gift or a recurring payment. In this scenario, you would log into your personal bank account, checking or savings, and add Highlands Presbyterian Church as a vendor, just like you would for a utility or credit card company. Be sure to use P. O. Box 847, Grayson, GA 30017 and not 830 Grayson Parkway. The mailbox at the post office is much more secure. Your bank utilizes a third party vendor to process your payment and they cut a paper check that is mailed to the church. This type of payment usually takes 7-10 business days to reach the church but you can control when the payment is withdrawn from your account.

Both of these payment platforms have been used by Highlands' members as we have not been able to meet in person. As November approaches and we resume meeting together, you may still want to consider one of these options for your regular giving. If you have any questions about either of these two options, feel free to contact any member of the Finance Team.
